

Thanks for completing the survey.

Your responses are listed below.

**The Open Space Plan recommends replacing the two tennis courts with 1 multi use court, with multiple sports provision.**

**A multi use court can provide multiple uses. The design will be influenced by the most popular preferences. Please note that not all preferences can be accommodated. Rank your preferences below (1 = first preference, 7 = least preferred).**

Scooter / trike track

Line marked Court Games – hopscotch, four square, giant chess, snakes and ladders

Basketball

Mini soccer

Tennis

Netball

Bocce

**Council has endorsed budget to upgrade irrigation at this site. How would you like to use the irrigated grass plaza?**

Kick about area

Picnics

Relaxing

Community gatherings

**What facilities would benefit this site? Please note that not all preferences can be accommodated. Rank your preferences below (1= first preference, 9 = least preferred).**

Bike repair station / bike rack

Shelter and picnic table

Drinking fountain

BBQ

Minor unstructured nature play (e.g. log steppers, balance log, fairy houses etc.)

Seating

Native planting

Dog friendly facilities – ie dog bowl, dog poo bags

Little library – swap book cabinet

**Do you have any other comments about what should be considered in the upgrade to the Eastern side of McConnell Avenue Reserve?**

**To comment on the revocation of McConnell Avenue Reserve West, please click here. (insert link)**

Whilst we welcome improvements to the reserve, the modest concept has not been developed in consultation with the community as promised in 2017 and the questionnaire style of on line consultation is very limiting when trying to capture the true needs of the community. The budget and implementation program has again been set without any consultation with the community, again not a very democratic or collaborative process, certainly not aligned with Council's consultation policy and open space strategy of engagement and partnering with a community that has demonstrated excellent capacity and skills to assist Council in delivering exemplary community facilities. Our position is very clear as per our website <https://www.5049coastalcommunity.com/mcconnell-reserve--open-space.html> We are working hard with The Friends of McConnell Reserve and the community to broker a better outcome on this matter and ask Council to endorse a more rigorous engagement with the wider community on the future the whole of this important reserve, beyond a local asset.
