

## 2018-19 Election of Committee – Notice

September 14 2018

In August 2018 the **Marino Residents Association** officially changed its name to the **5049 Coastal Community Association Incorporated**. As part of that process a new constitution was prepared and registered in South Australia.

Under the constitution we are required to have **formal elections** for the committee members for 2019. As part of that we are required to give notice to our membership on that process and invite members to nominate for the various positions and seek election at the Annual Public Meeting on November this year.

### Outline of the Process:

- |              |  |
|--------------|--|
| September 14 | <i>Advance notice be sent to members</i>   |
| October 5    | <i>Formal notice of Public Meeting on November 28 and call for nominations for the 10 positions, including office holders (ie President, VP, Treasurer, and Secretary, Marketing and Media) plus up to 5 other committee members</i> |
| October 12   | <i>Close of nominations</i>  |
| October 19   | <i>Nominations and candidate biographies circulated to members</i>   |
| November 28  | <i>Annual Public Meeting including voting in new committee</i>   |
