

Q1 The original Hall was built by the Community in the 1940s and has served Marino well over the years as a great venue and gathering place for important events. Most of us know it as a polling booth for elections...but it is much more!Over the last couple of years the number of users has increased and there are several active groups using the hall for martial arts, yoga, jigfit, sewing, art, keep fit, a church group and Pilates. In addition there are some one off hirers, like the Marino Residents Association and Marino Community Garden.The Hall committee is seeking to undertake improvements to make the Hall more flexible and attractive to potential users, now and in the future.This survey will help the Marino Community Hall Committee gather information on how to manage and develop the facility in the future for community use. Thank you for taking the time to do this survey it will only take a couple of minutes online.Do you currently use the Marino Community Hall?
