**5049 Coastal  
Community**  
*Stronger together*

# *History Night Participation Information*

This time we would love to have **local residents sharing their stories**, a clear feature of discussions in the break at the last History Night (2016). We are keen therefore to hear from locals who have lived in the area for a long time and have some great memories of their history in the 5049 Coastal Community hopefully with personal photographs from the time. **There are two options for you to share your history:**

***Brief presentation** - talk to our community at the event for 5 minutes, to a PowerPoint presentation of your images, about your experiences and history in our community. (We can put the PowerPoint together with your images)*

***Contribute to the Display** – Bring one large special one or up to 4 photographs from your collection that we can pin up on the night with a brief description so people can look at them during the event. This could also be old maps that you feel would be of interest.*

Please let us know via email or phone **by 18 Nov** if you are able to participate in one of the above ways, or know someone who would be interested and we will liaise with you on the details.
