Marino Community Hall

Have you considered hiring the Marino Hall?

We have two halls, one quite large suitable for public meetings, conferences, polling booth and classes. The large hall is licenced to hold 300 patrons.

The smaller, more intimate hall, will cater for wellness classes and smaller meetings. Both halls are served by a well set up kitchen.

Hirers of both halls are locked into a contract to finish all activities by 11pm. We consider this to be nonnegotiable as the halls are in a residential area and the volunteer management committee is very mindful of this fact.

To hire these halls you can do an online booking by going to:

www.marion.sa.gov.au/venues/halls and meeting rooms or

Phone Fran on 0412 080 820
